

May 4, 2020

Dear Montana Meat Processors Association Supplier Members,

Montana Meat Processors Association had to reschedule the 2020 convention for next year. Dates that need to be saved are April **29th through May 2nd 2021** still located in Kalispell at the Hilton Garden Inn with intentions of keeping the same agenda. All reservations at the hotel have been canceled so you wouldn't be charged! Hilton Garden Inn has the convention booked for next year if you want to rebook at this time you may. Again, the hotel has been great to work with, we strongly ask that you do book with them.

We are still asking suppliers to pay annual membership dues for this year. Please go online to our web page and continue to pay your annual membership. We have extended the deadline till June 1st, 2020. If you have paid for the show already, we will cut you a check for the difference and will send it to you.

Now if you are interested in placing an ad in the MMPA newsletter you must go online to our web page www.mtmmpa.com click on supplier registration, check the ad box then submit payment via credit card. These are the guidelines.

1. Half page ad (8 1/2"x 5 1/2") color is optional
2. Only one ad per supplier per year may be bought
3. Cost is 400.00 per year you pay online www.mtmmpa.com
4. Send ad to janellvp007@outlook.com using a pdf file
5. Same ad gets published 4 times a year in MMPA Newsletter. Published **Last Monday** of the following months.
 - 1.) **Start Preconvention** February after board meeting and all convention registration should be done.
 - 2.) **Spring Post convention** May 2020
 - 3.) **Fall** September 2020 after board meeting
 - 4.) **Winter** November 2020

Our goal is to have all this ready for you at the beginning of the year so you can pay all at one time and set your calendars for all the shows you attend throughout the year. (please note this spring dates are being adjusted with rest of year being on track.)

Again, we thank your continued support and understanding of this year's situation. We look forward to seeing you next year at the show.

Sincerely,

Montana Meat Processors Association
Board of Directors
